THE CLEARFIELD PROGRESS WEDNESDAY EVENING JUNE 11, 1919

NUMBER 288

WALL STREET'S BIG MEN
TESTIFY AT "LEAK" QUIZ

WASHINGTON, June 11.—The money resources of the United States must be pooled and turned into Europe to rebuild and restore it and the United States government must co-operate with American bankers in mobilizing American dollars to help the old world. This, three great international bankers today told the Senate Foreign Relations committee, is why Wall Street has been interested in the peace treaty and the League of Nations. The bankers are J. P. Morgan, Frank A. Vanderlip and Henry D. Davidson. Elihu Root was also present before the committee investigating the "leak" whereby the treaty got into the hands of New York men while it was denied the Senate.

Root: He got the copy of the treaty two weeks ago from Davidson and said he felt that he had a perfect right to it because it had been made public by the Germans and therefore was "public property."

Davidson: That he got his copy on May 9, from Thomas W. Lamont, partner in Morgan and Company and expert advisor to the American mission in Paris; that his private interest in it was as head of the international league of the Red Cross societies but that he was also deeply interested in it as an international banker; that the United States must coordinate its money resources to restore Europe.

Morgan: That American money must be put into Europe to aid normal production.

Vanderlip: That the government should sanction and aid a combination of American bankers to finance the old world except Russia.

Both Morgan and Vanderlip denied having seen the treaty but acknowledged their keen interest in its financial clauses.

GERMANS NOW SAY "WE WILL SIGN IF YOU LET US"—AND MAKE CONCESSIONS

By CARL D. GROAT

(United Press Staff Correspondent)

BERLIN, June 10.—Delayed—The German government has assumed a new attitude regarding the peace situation as a result of recent evidences of international unrest, the United Press was informed reliably today. The government has abandoned its "won't sign" policy and is adopting a more moderate position. "We desire to sign if you will let us—by making the proper concessions."

At the same time the government's spokesmen are letting it be known that Foreign Minister Noske's guards are going to be kept in readiness for any eventuality.

The funeral of Rosa Luxemburg the Spartan leader whose body was recently recovered from the Landwehr canal was held today.

NATION-WIDE TELEGRAPHERS' STRIKE IS ON
BOTH SIDES CLAIM ULTIMATE VICTORY

PITTSBURGH, June 11.—Approximately 200 telegraph employees of the Postal Telegraph Company walked out this morning when the nation wide strike order went into effect, officials of the Telegraphers' Union declared. Only 3 telegraphers remain in the Postal offices it was stated.

"Not one of our employees obeyed the strike order," C. B. Horton superintendent of the Pittsburgh district of the Western Union, declared. "Business is moving as usual and without delay. The only report of a walk out was from a small locality in West Virginia where 4 operators quit."

NEW YORK, June 11.—Newton Carlton, President of the Western Union made the following statement by telegram to Postmaster General Burleson today with regard to the telegraph strike: "I have just received reports from all seven divisions. They all report that nothing has happened. The various forces are working and traffic is clear." He added that he made this statement in the hearing of newspaper correspondents.

NEW YORK, June 11.—Conflicting claims with regard to the progress of the telegraphers strike called for today throughout the United States were made by leaders of both sides. In New York Western Union traffic officials declared that 21 out of the morning force of 313 men in the main office were absent when the shift went on duty. The main Western Union office was picketed by union men who declared that the company was seriously crippled in handling its business.

There was no interference with business at the Postal office it was stated by operators. Officers of the postal office asserted that 100 men of the night shift walked out.

CHICAGO, June 11.—President Konekamp of the Commercial Telegraphers' Union expressed satisfaction with the progress of the strike. At Washington Supt. Pass of the Western Union said that some of his men had complied with the strike order. Union men in charge of the strike claimed that the entire postal force had walked out. Postal officials accepted business subject to "indefinite delay."

NEW YORK, June 11.—"Traffic is going smoothly," that was the statement today of Vice President Reynolds of the Postal Telegraph company who would not state how many men struck.

PENNSY TRAINS
CONTINUE TO
WABBLE ALONG

Well, passengers on the Tyrone branch had hell again last evening. The train due here at 11:20 positively refused to haul down at the crossing below the Harrison-Walker brick works, and again was the train crew compelled to call upon the neighbors for assistance to get under way again. One of the old rotten air hoses busted again and caused the trouble.

Railroading on the Tyrone & Clearfield branch is getting to be some strenuous occupation as the poor conductor must be a civil engineer, master mechanic and boss carpenter all in one. It is beginning to tell on the passenger conductors, too, and while none of them appear to be losing much weight, it is noticed that their once Auburn locks are turning grey.

We have heard it said, but are not prepared to vouch for the truth of the story without further investigation, that a gum shoe campaign has been begun by local representatives to secure advertising umbrellas sufficient to effectively "drive" a standard flat car and when the poor old passenger cars now in use break down completely, Superintendent Johnson has been ordered to provide a crippled flat or two equipped with board benches for seats and advertising umbrellas canopied tops with which to keep off that sunshine and occasional rain. Then too, advertising space on the "umbrellas" could be sold and that might help some, too.

Mrs. Harry Walz, of Johnstown, Pa., was painfully hurt on one of the Pennsy's wooden man traps this morning. She was a passenger on the train due here at 11:15. Just after the train left Woodland, as Mrs. Walz was resting her hand on the window sill, a lurch of the car dislodged the upraised window from its fastenings and it dropped striking the woman's hand and causing an injury which required the services of a physician when the train reached Clearfield.

ODD FELLOWS MEMORIAL
MEETING

Following is the program carried out at the Memorial meeting in the Odd Fellows hall last evening:
Memorial Ode I. O. O. F. Quartette
Obe Bloom, Verne Bloom
John D. Haines, G. M. Clute
Prayer Mrs. Annie C. Dale
Calling the roll of deceased members—Music
Memorial to Dr. Edward M. Thompson John A. Dale
Duet Mrs. Ayres and Miss Cadman
Memorial of Alfred T. Owens
N. D. Shirey
Music Quartette
Memorial Andrew Ward, John Haines Solo
Mrs. Elva Lewis
Memorial to Mrs. Job Rowles Mrs. Jennie Ardary
Music Quartette
Closing prayer

MUST PAY \$25 FINE EACH AND COSTS

Singer Sewing Machine Agent Zerbby and a local constable, convicted of assault and battery on a Mrs. McLaughlin, of Wallacetown, at the last May term of criminal court, were called up for sentence by Judge Bell this morning on motion of District Attorney Arnold.

The men committed the assault on forcibly taking a sewing machine from the woman's home, the ownership of which was in dispute. After informing the sewing machine agent that the purchaser (or victim) had some rights even under their bill of sale or lease, Judge Bell assessed a fine of \$25 each and costs of prosecution. The company settled. A \$3000 damage suit growing out of the transaction is now pending in our civil court.

REPARATION SECTION OF
TREATY FINISHED

By FRED S. FERGUSON
PARIS, June 11.—The Big Four has completed the reparation section of the reply to the German counter proposals and ordered this part of the note to be printed immediately. It is understood the Allies refuse to fix a definite sum of indemnities.

Mr. and Mrs. Zenas Fullerton received a telegram from their son Winfield saying he had landed at Philadelphia. He has been sent to Camp Custer, Mich., where he will be mustered out of service.

Their son Donald is at Brest and expects to sail soon.

YANKEES.

By H. C. HAMILTON
(United Press Staff Correspondent)
NEW YORK, June 11.—The Yankees are rather a queer baseball club. They have batting power and pitching power but are a bit slow on the bases. Their fielding could be improved on in spots, but, considered on the whole, Yankee fielding is good enough for any big league baseball club.

Still, the Yankees are having the time of their lives sticking in the top division of Ban Johnson's circuit.

Taken from top to bottom, the Yankee batting order offers potentialities that are not found on any other baseball club. In Sam Vick they have a hard hitting youngster but one who is inclined to be headstrong on the bases and a little impatient, when he gets a bat on his shoulder.

Rogor Peckinpaugh is practically a cleanup hitter for most major league clubs.

Wallie Pipp is undoubtedly one of the most ferocious baseball bunters in the business, and he is followed generally by Frank Baker, another of the same kind.

Derrill Pratt is a murderous hitter and Duffy Lewis was the mainstay of the Red Sox when he sojournd there. Ping Bodie is a demon clouter and Mudley Ruel is hitting far better than any one had expected.

The pitching staff has shown genuine class at times, and the hitters have been in the habit of falling down behind them.

The Yankees were slow in getting off with their real speed. I was in Florida while they were training and noticed then that their muscles didn't respond to ordinary training treatment as most ball players. Many of them are veterans and take some time to get into condition.

Judged purely from their possibilities, the Yankees should be favorites in the dash for the pennant. The Yankees are whole and hearty. They haven't yet begun to make themselves felt as they should. Sooner or later they should start and the sparks should begin to fly. Detroit and Cleveland appear right now as most dangerous opponents for the Miller Huggins brigade, while the White Sox, of course, always figured in the race.

FIRST ARMY NURSE
ARRIVES HOME

Mr. and Mrs. Walter Fargo and family experienced a decidedly pleasant surprise today when their daughter Miss Helen Fargo, who has been overseas as a Red Cross Nurse with the A. E. F. for about one year and a half, stepped off the morning train from Tyrone and slipping quietly into home walked into the house and demanded to know "if mother had dinner ready yet." Mother didn't have it quite ready and it took some time for explanations before the work of getting it ready was taken up again by the pleased and happy mother.

Miss Fargo was the first Clearfield girl to volunteer her services when war was declared and spent several months in a southern base hospital before going overseas. She had some thrilling experiences.

She decided to keep her home coming a secret from her family and they did not know she was in God's country until she stepped in on them this morning.

WILL TRY IT AGAIN

Edward W. Childs instituted divorce proceedings in the Prothonotary's office this morning against his wife, Jennie Minerva Childs. The statement recites that the marriage occurred at Limestone, N. Y., June 24d, 1900, and the wife left April 9, 1916. Action for divorce was started several years ago but never completed and this makes the second try.

MISS BRETH ENTERTAINS

Miss Sylvia Breth entertained last evening at her home on West Fifth street. The evening was spent in dancing and playing cards. Delicious refreshment were served.

THE SEASON'S BIG TROUT

Frank Rook caught a German brown trout on Moose Creek yesterday which measured 21 1/4 inches and weighed three pounds when taken from the stream and dressed 2 1/2 pounds.

Mr. and Mrs. J. W. Patchin of Glen Hope have moved to Clearfield and for the present are residing with the son L. S. Patchin on Daisy street.

MINDS VERDICT
IS SUSTAINED

The United States Supreme Court has decided in a car discrimination case brought some six years ago by James H. Minds of Ramey, this county, against the Pennsylvania Railroad Company, that the Railroad Company must pay Mr. Minds seventy-five thousand dollars. Mr. Minds is the owner of a shaft at Ramey from which bituminous coal is shipped. He began his case before the inter-state Commerce Commission at Washington to recover damages for inter-state shipments of coal caused by the discriminatory supply of cars received by him for shipment. An award was made in favor of Mr. Minds. This award was sued upon in the United States District Court of Philadelphia. The first trial of this case was had in Philadelphia, November 9, 1915, but on account of an error in the record, a juror was withdrawn and the case continued and was tried again on October 9, 1916. The Railroad Company appealed to the United States Supreme Court and the case, was argued on April 19th, this year. Mr. Minds has three suits pending in Clearfield county for discrimination in intrashipments. One of these cases was tried and a sum of three hundred thousand dollars obtained after a three weeks trial. The interests of Mr. Minds was looked after by his son, John H. Minds, and H. W. Moore of Philadelphia, and James A. Gleason of DuBois. Mr. Gleason conducted the trials in Philadelphia, made all the arguments including that before the United States Supreme Court and feels very much gratified over the success of this litigation.

KNIGHT-JOHNSON WEDDING

A very pretty wedding took place at the Trinity Methodist church this morning at 11 o'clock when Miss Anna Pearl Knight, only daughter of Mrs. Anna B. Knight of Fourth street, was united in marriage with Edwin H. Johnson of Hagerstown, Md. The ceremony was performed by the Rev. W. W. Hartman, who used the impressive ring ceremony, in the presence of relatives and a company of guests. The church was beautifully decorated with ferns and palms.

The ceremony was preceded by a half hour musical program rendered by Miss Martha James. Followed by a solo "Oh, Radiant Hour," sung by Miss Ruth Strider of Bellwood, cousin of the bride, with the cello obbligato by Miss Margaret James. To the strains of "Lohengrin" the bridal party entered the church.

The bride was attired in the most becoming suit of beige tulle, waist of white georgette crepe, with a very becoming hat to match. She carried a shower bouquet of bride's roses and lilies of the valley.

The attendants were Foster Kerr and Miss Laura Bailey, who was attired in a taupe satin dress.

The ushers were Blain James, cousin of the bride, and Kenneth Thorn. Following the ceremony a prettily appointed luncheon was served to the bridal party at the home of the bride. The house was decorated with ferns, lilies and white peonies. The bride's table was one of exquisite beauty, the decoration scheme of green and white being carried out.

Mr. Johnson and his bride left on the noon train for a wedding trip to Hagerstown and Baltimore, Md. They will make their home in Barnesboro where the groom holds the position of manager of the J. G. McCrory company store.

MAKES CONFESSION OF
MOST SERIOUS CRIME

At the hearing before Squire James Fimean, of Chester Hill Monday evening, Monroe Shaffer, of Scotia, Centre county, pleaded guilty to an attempt to criminally assault an eight-year old girl near Wallacetown, Sunday afternoon. He was committed to Clearfield jail to await trial.

Shaffer, as noted in the Daily Journal on Monday, was arrested by Corporal Howard Trivelpiece and Private Novicks and Fulmer, of the State Constabulary stationed at Philipburg. They received a telephone message from Wallacetown, informing them of the attempted crime and they located Shaffer who answered to the description given out near Pleasant Hill.

STOCKS OPEN WEAK

NEW YORK, June 11.—The stock market opened weak. United States steel opened at 10 1/4, off 1/4; Central 10 1/4, up 1/4; Standard 10 1/4, off 1/4; Anaconda 7 1/4, up 1/4; General Motors 27, off 1/4; Mexican Petroleum 15 1/2, off 1/4; Crucible Steel 9 1/2, off 1/4; Bethlehem B at 29, up 1/4.

CONGRESSMAN FESS
U. OF PITT. SPEAKER

PITTSBURGH, PA., June 11.—Simon D. Fess, Congressman from Ohio, Republican leader and authority on foreign affairs and the League of Nations, will be among the lecturers at the University of Pittsburgh summer session, speaking at the general assembly each day of the week commencing July 28 and holding a series of conferences following the lectures. His subjects deal principally with Congress, its personnel, its relation to the executive and various problems now before Senate and House, and with Bolshevism and reconstruction problems. Other noted members of the Summer School faculty at Pitt are Dean Eugene Davenport of the University of Illinois, Dr. David Snedden of Columbia, Dr. D. D. Leach of the University of Wisconsin, Dr. Lewis M. Terman of Leland Stanford and Miss Florence Jackson, of the Women's Educational Union.

The special feature of this summer's work at the local university is the provision for the needs of men whose college courses have been interrupted by military service. Many university men from schools all over the east will be here to take course, which permit them to continue with their classes in the Fall, after making up much of the time lost. The usual large number of principals and teachers from Western Pennsylvania, Ohio, and West Virginia will be in attendance.

CHICAGO GIRL ASKS
\$1000 HEART BALM

Julia Gresiak, a fair maid, from Chicago, of 25 summers, is the plaintiff in a breach of promise suit filed in the Prothonotary's office by Attorney James A. Gleason this morning. The defendant is one Clemens Rzminski, of DuBois, and the statement filed with the notice of suit stamps the gay Clemens with being either a deceiver or more than ordinarily absent-minded.

The fair Julia tearfully recites that she is single and unattached but with the usual female longing for a "meal ticket" and home of her own, and that on an occasion not far distant when Rzminski popped the all-important question she readily consented to become his bride, even though such status or condition meant living in DuBois. Some women will take such awful chances.

However, the willing bride-to-be came to DuBois on May 23d and even after seeing the town agreed to accept Rzminski and DuBois and again on June 6th last came to the city by the Sandy with her wedding garments and everything in readiness so far as she was concerned to don double happiness.

Alas for fickle manhood. Rzminski had experienced a change of heart and said he never said it, that if he did say it he didn't mean it and wouldn't get married even though he had attracted the fair Julia to tempt the matrimonial sea in his boat.

Hell hath no fury like a woman's: corns and when Cupid's wiles failed to move the marble-hearted fickle one, Julia enlisted the aid of old Blackstone and the law will reach out and make Rzminski cough up \$42 car fare from Chicago to DuBois, \$25 expended on wedding garments and \$1000 wherewith to supply balm for the lady's injured trusting heart. Maybe.

LAWRENCE FARMER
STATE COLLEGE
DIRECTOR

Hon. Peter Gaurhart, the Lawrence township farmer, was elected a Director of Pennsylvania State College at the annual election held in connection with commencement week.

Mr. Gaurhart succeeds the late V. H. Patterson, Esq., of the Board of Directors. He is one of Clearfield county's most progressive farmers and deserves this recognition.

The delegates from Clearfield county at the annual meeting were: Harrison Straw, of Goshen; Curtis Reed, of Lawrence; T. L. Way and Reed Bloom, of Pike, and W. S. Callahan, of Clearfield.

DUBOIS WILL EN-
TERTAIN SOLDIERS
ON JUNE 18TH

On June 18, 1919, DuBois is going to stage a celebration in honor of the returned sailors, soldiers and marines of this entire section, and the indications are that that day will be the largest affair in the history of the city. A large committee has been working several weeks on the plans for the event and everything has shaped up in a manner that makes it certain that on this date the returned service men will be given the time of their lives. Plans are being made to entertain at least 2,000 service men. They will be met at the station by bands and reception committees and the city will be turned over to them. Everything will be free to all men in uniform on that day. They are to be the guests of the city and the only feature they will be asked to furnish will be the parade, in which there will be more service men than has ever been assembled at one time in this section.

Other features of the day will be a war plane sent to DuBois by the government. It is a regular government airplane and will be in charge of competent men who will drive it. Another feature will be a government tank, one that has seen actual service in France. It will be put through its paces over some of the worst conditions that can be found. The day's program will also include a complete program of sports, including a Marathon race, horse races, foot races and ball game.

At noon and in the evening the service men will be given dinner and supper at the park, a large corps of women having volunteered to do the preparing and serving. The homes of the people of DuBois will be opened to the returned men and their visit to DuBois will be made memorable.

One of the features of the day will be the presentation of national medals to all service men. It is planned to have this done by a bevy of pretty girls, who will pin the medals to the soldiers.

It is planned to have several prominent men in DuBois as speakers for the occasion. One already secured is Colonel Rickards, of the 112th regiment. The colonel, who is beloved by all of his men, will take a leading part in the parade and other festivities. It is also likely that a national figure prominent man identified with the National Legion will be secured and plans made on the evening of the 18th for the formation of the Legion.

The music for the occasion will be a noteworthy feature. It is planned to have no less than ten bands from DuBois and vicinity. It is expected that bands from Reynoldsville, Punxsutawney, Curwensville and Ridgway will be present. The committee also has the assurance that the bands of the 111th and 112th regiments will be present.

Special trains will be arranged so that the thousands of visitors from the different towns will be enabled to get home on the evening of the 18th if they desire.

DuBois will certainly be the place to visit on the 18th in order to see the greatest gathering of soldiers, sailors and marines ever assembled in this section.

ADVANCED PUPILS'
RECITAL THURSDAY

The advanced pupils of Prof. Schaefer's department at the Susquehanna College of Music will give a recital in the college auditorium on Locust street Thursday evening at 8:30 o'clock. The public is cordially invited to attend.

The program will consist of cornet solos, songs and piano and on some work by violin chorus.

The different numbers will be strictly high class and music lovers should make it a point to attend. All friends of the College welcome.

SECOND WARD FESTIVAL

The Second Ward Hose company will hold a cake and ice cream festival at their hose house on Wither street tomorrow (Thursday) evening.

The boys come right down town to see you when you need them, and now that they need you they would like to have you reciprocate. Bring your best girl and your pocket book, or your own wife, if you are fortunate enough to possess one.

OUR LEGISLATURE IS NOT EXTRA DRY

The action of the House of Representatives at Harrisburg in failing to pass the Vickerman and Fox bills providing for the enforcement of the new dry law and Prohibition amendment, would lead a man up a tree to believe that the Pennsylvania Legislature is not nearly so "dry as a covered bridge." Governor Sprout must have had some time forcing that prohibition amendment ratification bill over.

THE CONSTITUTIONAL CONVENTION

Questions involved in the proposed study of the Constitution are commencing to receive serious attention from editors now that Governor Sprout has signed the bill for appointment of the commission of twenty-five to revise the organic law of the State. The Philadelphia Evening Bulletin says: "The Governor has no simple task in the selection of twenty-five commissioners who shall be representative of the various sections and interests of the State and competent for the work of shaping the fundamental law of the state, but the appointments which he has made to the principal offices of his administration with few exceptions, indicate a standard of public service, and a capacity for appraising it as a test in selection which augurs well for a commission that will deserve and receive public confidence and co-operation."

TYRONE NOT ALONE

People residing along the Tyrone division of the Pennsylvania railroad, having been accustomed under private control of the railroads to modern steel passenger coaches, naturally resent having the Federal Railroad Administration replace these with antiquated wooden cars that are not only uncomfortable, but dangerous. They are going to appeal to the Public Service Commission but it will do no good.

Tyrone folks are justified in complaining. Wooden cars of ancient design are death traps. Their place is the scrap-heap. The Pennsy had replaced them with steel coaches almost entirely when the government took over the roads. Now, however, the Federal administration is hunting up what are left and returning them to service. This is regrettable but not surprising. Every step of government administration in railroad operation has been backward. Service has become an obsolete word in railroad circles and fares have gone out of sight. The public is regarded merely as a sort of necessary evil that would be ignored altogether were it not for the cash involved. Tyrone's relief will come when the roads are returned to their owners, not before.—Harrisburg Telegraph.

FARMERS COMPLAIN OF RURAL MAIL BREAKDOWN

Postmaster General Burleson has been asked in resolutions adopted by the executive and legislative committees of the National Grange to restore the rural mail routes in New York and other states which have been changed in the recent reorganization of the rural service.

This is simply one phase of the wide spread complaints over rural mail service which have welled up from the country for years. Those who have any knowledge of the conditions know that the farmers and other rural dwellers are not getting the service which they had formerly and that they are deeply dissatisfied with it.

The action of the committees of the National Grange comes close on the heels of the presentation to Mr. Burleson of a mass of complaints from a prominent delegation of New York state residents against the alleged wholesale curtailment of rural delivery routes in the central and northern sections of the state. Senators Wadsworth and Calder were at the hearing. Congressmen Mott, Hill, Snyder and Magee were among those who protested against changes in rural mail delivery made by the postoffice department.

Ready To Serve Business Men

The bank for the business man is one that is able and willing to take care of his wants, to lend him the money he requires for the legitimate needs of his business.

The County National Bank with invested capital of over \$1,200,000 and resources of more than Six Million Dollars, is large and strong enough to care for the needs of the business community.

Its officers and directors are interested in the advancement of this district. They are glad to offer to conservative business men, the advantage of an alliance with an old and capably managed bank.

Your account is invited.

This photo was taken in California where Jeffries secretly trained for fight with Jack Dempsey in Toledo.

THE NATION'S RECOGNITION OF STATE AGRICULTURAL DEPARTMENT NOTES

The distinguished service medal, which was presented by Secretary of War Baker to Dr. Anna Howard Shaw in Washington on Monday, May 19, marked the appreciation not only of Dr. Shaw's personal services and recognition of the work of the Women's Committee of the Council of National Defense, but was also indicative of the meritorious services rendered the Nation by the women of the country during the war.

Dr. Shaw was chairman of the Women's Committee of the Council of National Defense throughout the war. This work was originally carried on through 48 State divisions and subdivided into 18,000 local units. About a year ago the machinery of the Women's Committee, which directed women's activities in the States was amalgamated with the State councils section for the present Field Division of the council.

The Field Division was that part of the Council of National Defense which co-operated with the children's Bureau of the Department of Labor in its children's year and its "Back-to-school" and other child welfare activities, as reported at the recent child welfare conference in Washington, D. C.

Dr. Shaw commented on the coincidence of the conferring upon her of the distinguished service medal upon May 20—the opening day of the Sixty-sixth Congress, which has pledged itself to pass the Federal suffrage amendment, for which she has worked many years. While she values the personal honor of being the recipient of this distinguished service medal, she stated that she looked upon it as the beginning of the recognition by the country of the service and loyalty of all women, and above all, that the part women were called upon to take in war time was recognized by the Government as equally necessary in times of peace.

"This departure," said Dr. Shaw, "on the part of the National Government, through the President and Secretary of War, gives the greater promise of the time near at hand when every citizen of the United States will be esteemed a Government asset because of his or her loyalty and service, rather than because of sex."

CHILDREN'S SERVICE SPRING VALLEY CHURCH

A Children's Service will be held at the Spring Valley U. B. church Sunday evening June 15th. All are invited to attend.

H. J. GOSS, Supt.

In the continental countries of Europe the profession of hotel waiter is held as a highly dignified calling, and the continental governments run special schools of training for this profession, which is regarded as a stepping-stone to hotel management.

Harry B. Dale of Harrisburg is the guest of relatives here.

Cultivating is now in order. Report says that flocks of sheep will be increased in Somerset county.

Report from Centre county says the price of whole milk for May was three dollars per hundred which was the best price ever paid here during this month.

Clothing comes next to food as a necessity. Not only does the sheep meet the demand from a food and fertility standpoint, but for its wool for clothing there is no substitute.

A leading New York Commission Merchant says that Pennsylvania is shipping into New York market more and better graded fancy white eggs than any other state in the Union.

Slugs are becoming quite common in gardens. If they are troubling your crops, write to the Pennsylvania Department of Agriculture for information on methods of protecting the crops from these pests.

Reports from 157 creameries in Pennsylvania show that 798,451 pounds of butter were produced during the month of February, 1919. Two hundred and twenty-one factories report the production of 803,170 gallons of ice cream during the same month.

Clarence A. Moore left today for Pittsburgh to visit his brother Alvin and family and other relatives.

Sage Tea Keeps Your Hair Dark

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhance its appearance a hundred-fold.

Don't say gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

THE IDEAL TIME TO PAPER A ROOM IS RIGHT NOW

"You're spending more time on your porch now. You won't mind the tearing up of a room as much as when the days are stormy."

We have a paper that will make one or two rooms better rooms to live in when the stormy days do come.

POLITICAL Announcements PRIMARY ELECTION Wednesday, Sept. 17, 1919

FOR COUNTY TREASURER

We are authorized to announce the name of Phil E. Griesemer of DuBois as a candidate for the office of County Treasurer, subject to the action of the Republican party at the coming primaries, Sept. 17, 1919. P. O. Address, DuBois, Pa.

We are authorized to announce the name of Amos Rumberger as a candidate for the office of County Treasurer, subject to the rules of the Republican party at the primary. P. O. address Houtzdale, Pa.

FOR REGISTER & RECORDER

We are authorized to announce the name of Tene Evans of DuBois, as a candidate for the office of Register and Recorder subject to the action of the Republican primary election. P. O. Address, DuBois, Pa. B-60d.

FOR COUNTY COMMISSIONER

I'M OUT FOR COMMISSIONER
Last time I needed only 50 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th.

HARRY L. JONES,
Clearfield, Pa.

TO THE VOTERS OF CLEARFIELD COUNTY:

I wish to state that I am a candidate for re-election to the office of County Commissioner on the Democratic ticket.

I do not expect to be able to make a general canvass of the County, as the duties of the office require practically all my time in Clearfield, and I don't feel that I should neglect my official duties to the extent required to make a general canvass.

I thank all who contributed to my nomination and election four years ago, and solicit the vote and hearty co-operation of the Democratic voters at the coming primaries.

AUSTIN HANEY.

We are authorized to announce the name of M. F. Graham, of Clearfield borough, as a candidate for County Commissioner, subject to the action of the Republican primary election. P. O. Address Clearfield. B-60d-p.

SUES FOR TROUSERLESS PARADE ON STREETS

OKLAHOMA CITY, June 12.—If Walker D. Hines director general of railroads, is responsible for J. L. Wilkins' mile-and-a-half trouserless progress thru Oklahoma City streets he won't admit it.

The whole embarrassing controversy was to be aired in district court today.

Wilkins, president of the Wilkins-Hale state bank here, asserts that while a Pullman passenger from Fort Worth to Oklahoma City last January some conscienceless person robbed his berth. Consequently, he declares, receiving no assistance and little sympathy from the conductor and porter, he was forced to depart from the train much embarrassed.

Ford
THE UNIVERSAL CAR

When you want your Ford car repaired, insist always upon getting the genuine Ford parts, made by the Ford Motor Company, in order to insure reliable quality. There are "spurious" "counterfeit" "imitation" parts made by outside concerns who have no regard for quality in material, so insist of your Garage or Repair Man furnishing you the genuine Ford Parts. All reliable garages may now buy the genuine Ford Parts from us—so there's no excuse for any one using the "bogus" parts. To be sure, bring your car to us for repairs or replacements.

Velvet

THE SMOOTHEST SMOKING TOBACCO

TIME—given the right chance—
puts character in a man's face,
horse-sense under his hat, and mel-
low fren'liness into his tobacco.

Velvet Joe

Time is a big factor in giving
Velvet Tobacco its mildness and
"character."

Velvet ages for two whole years in
wooden hogsheads. During this
long period the choice Burley leaves
take on a kindly quality of cool-
ness, a rich fra-
grance, a "taste" that
appeals to pipe
smokers—old and
young.

Don't hurry, but just
walk into the next store
and lay down a dime
and a nickel and say
"VELVET"—the tobac-
co that isn't harsh but
is friendly.

WON COLLEGE HONORS

Miss Vera Bush, daughter of Mr.
and Mrs. William Bush, of Turnpike
avenue, is home from Dickinson Sem-
inary for the summer vacation. Miss
Bush made a record to be proud of
last year. She won the Rich Schol-
arship prize of \$15; the Grant Hoover
prize of \$10 for efficiency in algebra,
and the Oyeman prize of \$10 for de-
portment and highest average in
year's work. Miss Bush was a fresh-
man.

NATURALIZATION COURT POSTPONED

The next session of Naturalization
Court for Clearfield county has been
postponed from June 13th to July 1st.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with
phosphate before breakfast
washes out poisons

To see the tinge of healthy bloom
in your face, to see your skin get
clearer and clearer, to wake up with-
out a headache, backache, coated
tongue or a nasty breath, in fact to
feel your best, day in and day out,
just try inside-bathing every morning
for one week.

Before breakfast each day, drink a
glass of real hot water with a tea-
spoonful of limestone phosphate in it
as a harmless means of washing from
the stomach, liver, kidneys and bow-
els the previous day's indigestible
waste, sour bile and toxins; thus
cleansing, sweetening and purifying
the entire alimentary canal before put-
ting more food into the stomach. The
action of hot water and limestone
phosphate on an empty stomach is
wonderfully invigorating. It cleans
out all the sour fermentations, gases
and acidity and gives one a splendid
appetite for breakfast.

A quarter pound of limestone phos-
phate will cost very little at the drug
store but is sufficient to demonstra-
te that just as soap and hot water
cleanses, sweetens and freshens the
skin, so hot water and limestone phos-
phate act on the blood and internal or-
gans. Those who are subject to con-
stipation, bilious attacks, acid stom-
ach, rheumatic twinges, also those
whose skin is sallow and complexion
pallid, are assured that one week's
inside-bathing will leave them both look-
ing and feeling better in every way.

This is the Firestone YEAR

Two Big New Savings for Car Owners and Truck Owners

Never before have Firestone Tires been so decidedly better than others as they now are. So, for months back dealers, car owners and truck operators have been saying: "It's the Firestone Year."

And on top of this quality advantage offered in the improved Gray Sidewall Fabric and Cord Tires, on top of the enlarged size and extra heavy tread, come these two other Firestone savings—

Much lower prices—and adjustments made on a bigger mileage basis.

NOTE THIS NEW SCHEDULE

Fabric Tires	6,000 Miles
Cord Tires	8,000 Miles
Solid Tires	10,000 Miles

You can thank the rubber market for a part of the price saving. You can thank Firestone men—90% of whom are stockholders in the company—for a tire of such quality. 6,000 miles, 8,000 miles, 10,000 miles—these are only beginning points from which you can figure the extra miles that have made this the "Firestone Year" and given greater meaning than ever to the Firestone pledge of—

Most Miles per Dollar

ATLANTIC POLARINE

PERHAPS the vitality of your motor oil is low. Drain your crank-case thoroughly, then refill it with an Atlantic Motor Oil. Do that every thousand miles or so.

Atlantic Polarine, Atlantic Light, Medium and Heavy comprise the four principal Atlantic Motor Oils that give your engine a new lease of life. Talk with your garageman.

Dress Warm and Keep Feet Dry

Tells Rheumatism Sufferers to Take
Salts and Get Rid of Uric Acid

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

The most powerful lamp in the world is in the De la Hève lighthouse near Havre. With flashes one-tenth of a second in duration, it actually gives as much light as two and a half million candles.

OBITUARY

PORTER B. ZENTMYER

Porter B. Zentmyer formerly of Clearfield, died suddenly Monday evening in Juniata shortly after beginning a game of checkers with one of his nieces. He had made his home with his nieces, Misses Jeanette, Arintha and Fannie Kinch, of 731 Fifth avenue, Juniata, and despite his advanced years he had been enjoying his usual good health. Last Wednesday he was seized with an attack of indigestion from which he had about recovered.

Following his supper last evening he and Miss Arintha Kinch began to play a game of checkers. He had not made many moves on the board until he fell back in his chair, making a pleasant remark concerning the game, and was dead. A physician was hastily summoned, who pronounced death due to a cerebral hemorrhage. Mr. Zentmyer was aged 78.

He was born near Spruce Creek on November 8, 1840, and during his early life followed farming in Hartlog valley. Later he entered the merchandise business at Warriors Mark. After following this for a time he was made superintendent of the coal mines at Moshannon and Madera, in Clearfield county.

Mr. Zentmyer was united in marriage to Miss Maggie V. Whittaker, of Huntingdon on March 14, 1872. His wife died September 3, 1917. One son, Frank, was born to this union and died in July, 1912. Mr. Zentmyer retired from his official connection with the mines in 1894 and occupied a home in Clearfield until the death of his wife.

For the past year and a half he made his home with his nieces in Juniata and his congenial and sunny disposition soon won for him a host of new friends. Two sisters and two brothers survive: Mrs. Mabel Kinch of 1115 Fifth avenue, Altoona; Mrs. Margaret Stone of Tyrone and John and Benjamin Zentmyer of Tyrone.

Mr. Zentmyer was large in stature as well as in mind and by those who knew him best was held in very high esteem. He was prosperous in his business ventures and found pleasure in assisting others. It is said that a part of his estate will go toward the establishment of an orphanage in Clearfield county.

He was a life member of Coalport lodge, Free and Accepted Masons, of Phillipsburg, Pennsylvania, Knights Templar, and a Shriner of Jaffa temple, Altoona. He was also a member of the Presbyterian church.

Funeral services will be conducted over his remains Wednesday evening at 8 o'clock by Rev. T. S. Dickson, pastor of the Clearfield Presbyterian church at the home of the Misses Kinch. On Thursday morning the remains will be taken to Clearfield, where funeral services will be conducted in the Presbyterian church.

The remains will be brought to Clearfield on the 11.15 train tomorrow, and taken to the Presbyterian church where services will be held. Interment will be made in Hillcrest cemetery. Clearfield Lodge of Masons will have charge of the funeral.

VICTORY ROSE FESTIVAL OPENS AT PORTLAND

PORTLAND, ORE., June 11—Portland's most famous annual event, its rose show, opened today, with the ringing-down of the final curtain scheduled for Friday night.

The show, this year, is called the Victory Rose Festival, because it is not only the yearly tribute to the rose, but a dual event including a celebration in honor of the return of soldiers, sailors and marines to Oregon. Two of the most prominent features of the show are the "flying circus" of airplanes, which came here from Mather field, California, to give daily exhibitions, and the fleet of 10 battleships and cruisers, which are anchored in the Portland harbor.

The "Victory" parade was held this afternoon practically every Oregon city being represented in the pageant with a float, bearing the war record of the community. Every Oregonian who followed the flag during the world war has been invited to appear in the "Military" parade tomorrow afternoon, and the Friday afternoon feature will be the annual floral parade.

Y. M. C. A. NOTES

A small play-ground or out-door gymnasium has been built back of the "Y" gymnasium for the use of the boy and girl members of the "Y". There will be open air concerts each evening.

All the boys and girls wishing to take part in the big flag drill for July 4 are requested to meet the physical director of the Y every Tuesday and Thursday evening.

On Tuesday evening June 17, you will have an opportunity to see 1000 feet of our local talent picture showing the principal buildings of the city and over 1000 different men and women, boys and girls will be shown in the moving picture in a farewell parade to our soldier boys. There will also be pictures of the different Y classes, the silk mill in operation and the Twilight baseball league.

LARGE CLASS OF P. O. S. OF A. COMING FOR INSTALLATION

Thursday evening is to be an important night in the annals of the P. O. S. of A. of DuBois, when a class from various points in Clearfield and Jefferson counties, to the number of 100, will be initiated into the order. Guests are expected from throughout the two counties, and the state secretary, Charles E. Helms, of Philadelphia, will also be present.

In the evening there will be a parade, led by a band, which will traverse the principal streets, accompanied by the candidates, before the return to the Whitehead building, where the initiation ceremonies will be held. Members are expected to be present from Clearfield, Curwensville, Glantz, Reynoldsville, Sykesville, Emerickville and Punxsutawney.

Two Warm Weather Household Needs Refrigerators For Thrifty Women

Spoiled food will soon eat up the price of one of these refrigerators of ours. And you cannot reasonably expect to keep food these days without a refrigerator of some kind.

We have a goodly assortment of refrigerators for you—mostly in oak finish with linings that are sanitary, long-wearing and easy to keep sweet and clean. Scientific construction assures the most economical ice consumption.

Ice Cream Freezers

Make your own ice cream. These freezers of ours with their cedar tubs, the heavily re-tinned cans and paddles, the easy running triple motion will make it as cheap and easy for you to make your own ice cream as to buy it.

We have them in all the household sizes.

WILLIAM F. POWELL

South Second St. Clearfield, Pa.

You Must Have Either White shoes Or White Pumps

When you see everyone wearing white shoes and how pretty they are with white dresses you cannot help but wanting a pair immediately. But why wait—Summer days are here and it is the part of wisdom to make selection when stocks are unbroken.

The pumps and ties are in the new long lines, various height heels and style toes.

Smart Footwear For Discriminating Women

Of great popularity this season will be the low heeled Oxfords designed to be used for both walking and sports wear. Several styles commend themselves to your attention; built on long graceful lasts, with turned soles and simulated wing tips. Kid and Russia calf in black and several new shades. All sizes.

Men's Oxfords In Distinctive Styles

With the advent of bright and cheerful days comes the desire to be comfortably and appropriately shod. The new styles of low shoes show marked touches of distinction both in shapes and leathers. They are built on sensible lasts that are at once restful to the foot and dignified in appearance.

We take extra care in fitting you properly, so that the foot will not feel loose inside the shoe. A varied selection of choice tan and black leathers assures you satisfaction.

**"It Does the Work"
Says Mrs. Schoch**

Mrs. M. C. Schoch, 2045 Brandy wine street, Phila., tells of the great results that came to her husband. "His stomach and kidneys caused him to suffer, and his entire system was all run down. He suffered from pains across the back and in the stomach with belching of gas. He decided to try Tanlac and it brought him the results. Tanlac does the work it claims to do."

The genuine J. I. Gore Co. Tanlac is sold here by Stewart Drug Co., Woodward & McPherson and other leading druggists.

N. Y. C. LOSES TO CITY TEAM

L. Bowes did the twirling for the City team while G. Bowes pitched for N. Y. C. These boys, both recently returned soldiers from "over there," gave a good exhibition of twirling, L. Bowes having it on G. Bowes by a gnats' whisker.

There will be no game tonight.

The City team is now tie for first place with the H. W. R. Co.

At last we have found an efficient umpire in Alvy Condon who pleases both fans and players.

Capt. Bill Beitz made a Ty Cobb catch of a high foul fly.

Two more new players entered last night into the league. They were Whitehill and Pete Shade, a returned soldier.

It was a pitcher's battle and also a case of brother against brother.

Rishell holds first place in avoidance but does not like to circle the bases.

THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Read this statement:

Mrs. Jane Graham, 125 Fulton St., Clearfield, says: "I suffered from kidney complaint some time ago. There was a dull ache in the small of my back and I had severe headaches. I also had a tired feeling in my loins. On using one box of Doan's Kidney Pills, the backaches and headaches left and I didn't have that dull, tired feeling any more. I think Doan's Kidney Pills are a wonderful kidney remedy and I am glad to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Graham had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

WOMAN'S CLUB OFFICERS

The annual election of officers for the Woman's Club resulted as follows: Mrs. Harry Boulton, President; Mrs. E. E. Orcutt, 1st Vice President; Mrs. Philip Reed, 2d Vice President; Mrs. E. D. Vandling, 3rd Vice President; Mrs. R. H. Mawhinney, Recording Secretary; Mrs. Don Gingery, Corresponding Secretary; Mrs. Roy Fulton, Treasurer.

NEWS OF OUR NEIGHBORS CURWENSVILLE

S. E. Deering received on Monday a telegram from his son, Chester B. Deering, announcing that he had landed in Boston on the 9th inst and was being sent to Camp Devens, Mass., where he expects to receive his discharge from the service within the next week or ten days.

D. R. Fleming, the cigar manufacturer, left yesterday evening for Cambria county, where he will spend the balance of the week looking after trade with his many patrons. He manufactures an article of goods that sells and sells quick, and therefore is unable to make his famous cigars fast enough to supply the demand.

Orville King, who is a student at the University of Pennsylvania, is home for the summer vacation.

"Dad" Hoover, the eldest male resident of this place, was taken with a sudden illness Monday night. Medical aid was summoned and this evening was reported considerably improved.

Captain William Castberry and wife, of Washington, D. C., arrived on Monday evening. The captain, who is in the quartermasters' department in the capital city, was compelled to return to duty on Tuesday evening, while his wife will remain in town for a few days longer, visiting her brother, Ed Benson and his family. Captain Castberry will be remembered by many Curwensville people as having been a bookkeeper for George L. Benson in the office maintained here by the Roaring Run Stone company. He went west from here and located in Portland, Oregon, until he enlisted in the army a couple years ago, and by his own personal ability soon rose to the commission he now holds. His wife was Miss Mame Benson and resided in this place for a number of years prior to her marriage.

The Woman's Missionary Society of the Presbyterian church will hold the quarterly meeting and annual Mission Cradle Roll rally in the Sunday school room Thursday, June 12th at 1:30 p. m.

At this meeting we will have with us Miss Ruth Barber, a daughter of our former pastor Rev. Samuel Barber. Miss Barber is one of the teachers in the Allison-James Mission school for girls at Santa Fe, New Mexico. She will tell us of the work of this school. All are cordially invited to come and bring their friends.

Charles McClure, Joe Vesco and Messrs. Dotto and Ballone arrived home yesterday noon, having been released from army service. These sol-

dier boys saw considerable service over seas.

Mrs. Maggie Draucker, widow of the late Frank Draucker, who has been quite ill at the home of Mr. and Mrs. Orlie Norris for a week or more, is reported this morning as improving.

John Kelly, one of the expert hunters of this section has now over 100 crows to his credit. He has killed that number within a space of two months. At the rate he is killing the crows he will soon have them exterminated in this end of the county.

Mrs. Ashley Bloom, who resides at Lumber City, having lately moved from Curwensville to that town, where her husband is employed as superintendent of the brick plant, was very seriously injured Monday evening by falling down a pair of stairs leading to the cellar. In falling she struck her head against the stone wall cutting an ugly gash, while her body sustained a number of cuts and bruises. It was also reported that it will be some time before she is able to be about her household duties again.

Lemoine Bloom is on his old job again with the insurance underwriters, his territory being the middle and eastern states. When he entered the army and was assigned to the signal corps, he was informed that his job would be open to him when he returned home. He is now engaged in inspecting the tanneries and brick plants in this place, and making blue prints of the buildings, etc. He understands his business thoroughly, having graduated from college as an engineer. He expects to leave next Sunday to work in other fields.

Mr. and Mrs. L. W. Spencer, accompanied by Miss Margaret Hile, who spent the past two weeks at Bilina, Ohio, visiting with friends returned home arriving Monday evening.

Another ball team has been organized in this place. The members are old ball men and have not forgotten how to play the game. Their first try will be with a club from Boardman next Tuesday.

Do not forget that the nation's most popular picture "The Heart of Humanity" will be shown in the Academy of Music tonight. The proceeds from the picture is for the benefit of the Rescue Home and Lauder company.

Alonza Ammerman, a former Curwensville resident, now of Phillipsburg, was a town visitor yesterday.

James Smith employed at the hard clay mines had his right foot badly crushed yesterday by having it caught between the bumpers of two mine cars. The injury is a painful one and will keep Mr. Smith on a pair of crutches for several weeks.

The Alfred Bigler homestead is being ornamented with a new coat of paint, which improves its outward appearance greatly.

Mrs. William Twigg, Jr., who has been ill for a long time is not improving in health, but her condition remains about the same as when she was brought home from the hospital.

Miss Lillian Wingert, of Lancaster, is visiting Clearfield friends at present. Miss Wingert has accepted a position in Detroit, Mich.

NUMBER 288

THE CLEARFIELD PROGRESS WEDNESDAY EVENING JUNE 11, 1919

WALL STREET'S BIG MEN
TESTIFY AT "LEAK" QUIZ

WASHINGTON, June 11.—The money resources of the United States must be pooled and turned into Europe to rebuild and restore it and the United States government must co-operate with American bankers in mobilizing American dollars to help the old world. This, three great international bankers today told the Senate Foreign Relations committee, is why Wall Street has been interested in the peace treaty and the League of Nations. The bankers are J. P. Morgan, Frank A. Vanderlip and Henry D. Davidson. Elihu Root was also present before the committee investigating the "leak" whereby the treaty got into the hands of New York men while it was denied the Senate.

Root: He got the copy of the treaty two weeks ago from Davidson and said he felt that he had a perfect right to it because it had been made public by the Germans and therefore was "public property."

Davidson: That he got his copy on May 9, from Thomas W. Lamont, partner in Morgan and Company and expert advisor to the American mission in Paris; that his private interest in it was as head of the international league of the Red Cross societies but that he was also deeply interested in it as an international banker; that the United States must coordinate its money resources to restore Europe.

Morgan: That American money must be put into Europe to aid normal production.

Vanderlip: That the government should sanction and aid a combination of American bankers to finance the old world except Russia.

Both Morgan and Vanderlip denied having seen the treaty but acknowledged their keen interest in its financial clauses.

GERMANS NOW SAY "WE WILL SIGN IF YOU LET US"—AND MAKE CONCESSIONS

By CARL D. GROAT

(United Press Staff Correspondent)

BERLIN, June 10.—Delayed—The German government has assumed a new attitude regarding the peace situation as a result of recent evidences of international unrest, the United Press was informed reliably today. The government has abandoned its "won't sign" policy and is adopting a more moderate position. "We desire to sign if you will let us—by making the proper concessions."

At the same time the government's spokesmen are letting it be known that Foreign Minister Noske's guards are going to be kept in readiness for any eventuality.

The funeral of Rosa Luxemburg the Spartan leader whose body was recently recovered from the Landwehr canal was held today.

NATION-WIDE TELEGRAPHERS' STRIKE IS ON
BOTH SIDES CLAIM ULTIMATE VICTORY

PITTSBURGH, June 11.—Approximately 200 telegraph employees of the Postal Telegraph Company walked out this morning when the nation wide strike order went into effect, officials of the Telegraphers' Union declared. Only 3 telegraphers remain in the Postal offices it was stated.

"Not one of our employees obeyed the strike order," C. B. Horton superintendent of the Pittsburgh district of the Western Union, declared. "Business is moving as usual and without delay. The only report of a walk out was from a small locality in West Virginia where 4 operators quit."

NEW YORK, June 11.—Newton Carlton, President of the Western Union made the following statement by telegram to Postmaster General Burleson today with regard to the telegraph strike: "I have just received reports from all seven divisions. They all report that nothing has happened. The various forces are working and traffic is clear." He added that he made this statement in the hearing of newspaper correspondents.

NEW YORK, June 11.—Conflicting claims with regard to the progress of the telegraphers strike called for today throughout the United States were made by leaders of both sides. In New York Western Union traffic officials declared that 21 out of the morning force of 313 men in the main office were absent when the shift went on duty. The main Western Union office was picketed by union men who declared that the company was seriously crippled in handling its business.

There was no interference with business at the Postal office it was stated by operators. Officers of the postal office asserted that 100 men of the night shift walked out.

CHICAGO, June 11.—President Konekamp of the Commercial Telegraphers' Union expressed satisfaction with the progress of the strike. At Washington Supt. Pass of the Western Union said that some of his men had complied with the strike order. Union men in charge of the strike claimed that the entire postal force had walked out. Postal officials accepted business subject to "indefinite delay."

NEW YORK, June 11.—"Traffic is going smoothly," that was the statement today of Vice President Reynolds of the Postal Telegraph company who would not state how many men struck.

PENNSY TRAINS
CONTINUE TO
WABBLE ALONG

Well, passengers on the Tyrone branch had hell again last evening. The train due here at 11:20 positively refused to haul down at the crossing below the Harrison-Walker brick works, and again was the train crew compelled to call upon the neighbors for assistance to get under way again. One of the old rotten air hoses busted again and caused the trouble.

Railroading on the Tyrone & Clearfield branch is getting to be some strenuous occupation as the poor conductor must be a civil engineer, master mechanic and boss carpenter all in one. It is beginning to tell on the passenger conductors, too, and while none of them appear to be losing much weight, it is noticed that their once Auburn locks are turning grey.

We have heard it said, but are not prepared to vouch for the truth of the story without further investigation, that a gum shoe campaign has been begun by local representatives to secure advertising umbrellas sufficient to effectively "give" a standard flat car and when the poor old passenger cars now in use break down completely, Superintendent Johnson has been ordered to provide a crippled flat or two equipped with board benches for seats and advertising umbrellas canopied tops with which to keep off that sunshine and occasional rain. Then too, advertising space on the "umbrellas" could be sold and that might help some, too.

Mrs. Harry Walz, of Johnstown, Pa., was painfully hurt on one of the Pennsy's wooden man traps this morning. She was a passenger on the train due here at 11:15. Just after the train left Woodland, as Mrs. Walz was resting her hand on the window sill, a lurch of the car dislodged the upraised window from its fastenings and it dropped striking the woman's hand and causing an injury which required the services of a physician when the train reached Clearfield.

ODD FELLOWS MEMORIAL
MEETING

Following is the program carried out at the Memorial meeting in the Odd Fellows hall last evening:

Memorial Ode I. O. O. F. Quartette
Obe Bloom, Verne Bloom

Memorial of Alfred T. Owens
N. D. Shirey
Music Quartette
Memorial Andrew Ward, John Haines
Solo Mrs. Elva Lewis
Memorial to Mrs. Job Rowles
Mrs. Jennie Ardary
Music Quartette
Closing prayer

MUST PAY \$25 FINE EACH AND
COSTS

Singer Sewing Machine Agent Zerby and a local constable, convicted of assault and battery on a Mrs. McLaughlin, of Wallacetown, at the last May term of criminal court, were called up for sentence by Judge Bell this morning on motion of District Attorney Arnold.

The men committed the assault on Zerby by taking a sewing machine from the woman's home, the ownership of which was in dispute.

After informing the sewing machine agent that the purchaser (or victim) had some rights even under their bill of sale or lease, Judge Bell assessed a fine of \$25 each and costs of prosecution. The company settled.

A \$3000 damage suit growing out of the transaction is now pending in our civil court.

REPARATION SECTION OF
TREATY FINISHED

By FRED S. FERGUSON
PARIS, June 11.—The Big Four has completed the reparation section of the reply to the German counter proposals and ordered this part of the note to be printed immediately. It is understood the Allies refuse to fix a definite sum of indemnities.

Mr. and Mrs. Zenas Fullerton received a telegram from their son Winfield saying he had landed at Philadelphia. He has been sent to Camp Custer, Mich., where he will be mustered out of service.

Their son Donald is at Brest and expects to sail soon.

YANKEES.

By H. C. HAMILTON

(United Press Staff Correspondent)

NEW YORK, June 11.—The Yankees are rather a queer baseball club. They have batting power and pitching power but are a bit slow on the bases. Their fielding could be improved on in spots, but, considered on the whole, Yankee fielding is good enough for any big league baseball club.

Still, the Yankees are having the time of their lives sticking in the top division of Ban Johnson's circuit.

Taken from top to bottom, the Yankee batting order offers potentialities that are not found on any other baseball club. In Sam Vick they have a hard hitting youngster but one who is inclined to be headstrong on the bases and a little impatient, when he gets a bat on his shoulder.

Rogor Peckinpaugh is practically a cleanup hitter for most major league clubs.

Wallie Pipp is undoubtedly one of the most ferocious baseball bunters in the business, and he is followed generally by Frank Baker, another of the same kind.

Derrill Pratt is a murderous hitter and Duffy Lewis was the mainstay of the Red Sox when he sojournd there. Ping Bodie is a demon clouter and Mudley Ruel is hitting far better than any one had expected.

The pitching staff has shown genuine class at times, and the hitters have been in the habit of falling down behind them.

The Yankees were slow in getting off with their real speed. I was in Florida while they were training and noticed then that their muscles didn't respond to ordinary training treatment as most ball players. Many of them are veterans and take some time to get into condition.

Judged purely from their possibilities, the Yankees should be favorites in the dash for the pennant. The Yankees are whole and hearty. They haven't yet begun to make themselves felt as they should. Sooner or later they should start and the sparks should begin to fly. Detroit and Cleveland appear right now as most dangerous opponents for the Miller Huggins brigade, while the White Sox, of course, always figured in the race.

FIRST ARMY NURSE
ARRIVES HOME

Mr. and Mrs. Walter Fargo and family experienced a decidedly pleasant surprise today when their daughter Miss Helen Fargo, who has been overseas as a Red Cross Nurse with the A. E. F. for about one year and a half, stepped off the morning train from Tyrone and slipping quietly into home walked into the house and demanded to know "if mother had dinner ready yet." Mother didn't have it quite ready and it took some time for explanations before the work of getting it ready was taken up again by the pleased and happy mother.

Miss Fargo was the first Clearfield girl to volunteer her services when war was declared and spent several months in a southern base hospital before going overseas. She had some thrilling experiences.

She decided to keep her home coming a secret from her family and they did not know she was in God's country until she stepped in on them this morning.

WILL TRY IT AGAIN

Edward W. Childs instituted divorce proceedings in the Prothonotary's office this morning against his wife, Jennie Minerva Childs. The statement recites that the marriage occurred at Limestone, N. Y., June 24d, 1900, and the wife left April 9, 1916. Action for divorce was started several years ago but never completed and this makes the second try.

MISS BRETH ENTERTAINS

Miss Sylvia Breth entertained last evening at her home on West Fifth street. The evening was spent in dancing and playing cards. Delicious refreshment were served.

THE SEASON'S BIG TROUT

Frank Rook caught a German brown trout on Moose Creek yesterday which measured 21 1/4 inches and weighed three pounds when taken from the stream and dressed 2 1/2 pounds.

Mr. and Mrs. J. W. Patchin of Glen Hope have moved to Clearfield and for the present are residing with the son L. S. Patchin on Daisy street.

MINDS VERDICT
IS SUSTAINED

The United States Supreme Court has decided in a car discrimination case brought some six years ago by James H. Minds of Ramey, this county, against the Pennsylvania Railroad Company, that the Railroad Company must pay Mr. Minds seventy-five thousand dollars. Mr. Minds is the owner of a shaft at Ramey from which bituminous coal is shipped. He began his case before the inter-state Commerce Commission at Washington to recover damages for inter-state shipments of coal caused by the discriminatory supply of cars received by him for shipment. An award was made in favor of Mr. Minds. This award was sued upon in the United States District Court of Philadelphia. The first trial of this case was had in Philadelphia, November 9, 1915, but on account of an error in the record, a juror was withdrawn and the case continued and was tried again on October 9, 1916. The Railroad Company appealed to the United States Supreme Court and the case, was argued on April 19th, this year. Mr. Minds has three suits pending in Clearfield county for discrimination in intrashipments. One of these cases was tried and a sum of three hundred thousand dollars obtained after a three weeks trial. The interests of Mr. Minds was looked after, by his son, John H. Minds, and H. W. Moore of Philadelphia, and James A. Gleason of DuBois. Mr. Gleason conducted the trials in Philadelphia, made all the arguments including that before the United States Supreme Court and feels very much gratified over the success of this litigation.

KNIGHT-JOHNSON WEDDING

A very pretty wedding took place at the Trinity Methodist church this morning at 11 o'clock when Miss Anna Pearl Knight, only daughter of Mrs. Anna B. Knight of Fourth street, was united in marriage with Edwin H. Johnson of Hagerstown, Md. The ceremony was performed by the Rev. W. W. Hartman, who used the impressive ring ceremony, in the presence of relatives and a company of guests. The church was beautifully decorated with ferns and palms.

The ceremony was preceded by a half hour musical program rendered by Miss Martha James. Followed by a solo "Oh, Radiant Hour," sung by Miss Ruth Stringer of Bellwood, cousin of the bride, with the cello obbligato by Miss Margaret James. To the strains of "Lohengrin" the bridal party entered the church.

The bride was attired in the most becoming suit of beige tulle, waist of white georgette crepe, with a very becoming hat to match. She carried a shower bouquet of bride's roses and lilies of the valley.

The attendants were Foster Kerr and Miss Laura Bailey, who was attired in a taupe satin dress.

The ushers were Blain James, cousin of the bride, and Kenneth Thorn.

Following the ceremony a prettily appointed luncheon was served to the bridal party at the home of the bride. The house was decorated with ferns, lilies and white peonies. The bride's table was one of exquisite beauty, the decoration scheme of green and white being carried out.

Mr. Johnson and his bride left on the noon train for a wedding trip to Hagerstown and Baltimore, Md. They will make their home in Barnesboro where the groom holds the position of manager of the J. G. McCrory company store.

MAKES CONFESSION OF
MOST SERIOUS CRIME

At the hearing before Squire James Fimean, of Chester Hill Monday evening, Monroe Shaffer, of Scotia, Centre county, plead guilty to an attempt to criminally assault an eight-year old girl near Wallacetown, Sunday afternoon. He was committed to Clearfield jail to await trial.

Shaffer, as noted in the Daily Journal on Monday, was arrested by Corporal Howard Trivelpiece and Private Novicks and Fulmer, of the State Constabulary stationed at Philipburg. They received a telephone message from Wallacetown, informing them of the attempted crime and they located Shaffer who answered to the description given out near Pleasant Hill.

STOCKS OPEN WEAK

NEW YORK, June 11.—The stock market opened weak. United States steel opened at 10 1/4, off 1/4; Central 10 1/4, up 1/4; Standard 10 1/4, off 1/4; Anaconda 7 1/4, up 1/4; General Motors 27, off 1/4; Mexican Petroleum 15 1/2, off 1/4; Crucible Steel 9 1/2, off 1/4; Bethlehem B at 29, up 1/4.

CONGRESSMAN FESS
U. OF PITT. SPEAKER

PITTSBURGH, PA., June 11.—Simon D. Fess, Congressman from Ohio, Republican leader and authority on foreign affairs and the League of Nations, will be among the lecturers at the University of Pittsburgh summer session, speaking at the general assembly each day of the week commencing July 28 and holding a series of conferences following the lectures. His subjects deal principally with Congress, its personnel, its relation to the executive and various problems now before Senate and House, and with Bolshevism and reconstruction problems. Other noted members of the Summer School faculty at Pitt are Dean Eugene Davenport of the University of Illinois, Dr. David Snedden of Columbia, Dr. D. D. Leach of the University of Wisconsin, Dr. Lewis M. Terman of Leland Stanford and Miss Florence Jackson, of the Women's Educational Union.

The special feature of this summer's work at the local university is the provision for the needs of men whose college courses have been interrupted by military service. Many university men from schools all over the east will be here to take course, which permit them to continue with their classes in the Fall, after making up much of the time lost. The usual large number of principals and teachers from Western Pennsylvania, Ohio, and West Virginia will be in attendance.

CHICAGO GIRL ASKS
\$1000 HEART BALM

Julia Gresiak, a fair maid, from Chicago, of 25 summers, is the plaintiff in a breach of promise suit filed in the Prothonotary's office by Attorney James A. Gleason this morning. The defendant is one Clement Rzminski, of DuBois, and the statement filed with the notice of suit stamps the gay Clements with being either a deceiver or more than ordinarily absent-minded.

The fair Julia tearfully recites that she is single and unattached but with the usual female longing for a "meal ticket" and home of her own, and that on an occasion not far distant when Rzminski popped the all-important question she readily consented to become his bride, even though such status or condition meant living in DuBois. Some women will take such awful chances.

However, the willing bride-to-be came to DuBois on May 23d and even after seeing the town agreed to accept Rzminski and DuBois and again on June 6th last came to the city by the Sandy with her wedding garments and everything in readiness so far as she was concerned to don double happiness.

Alas for fickle manhood. Rzminski had experienced a change of heart and said he never said it, that if he did say it he didn't mean it and wouldn't get married even though he had asked the fair Julia to tempt the matrimonial sea in his boat.

Hell hath no fury like a woman's: corns and when Cupid's wiles failed to move the marble-hearted fickle one, Julia enlisted the aid of old Blackstone and the law will reach out and make Rzminski cough up \$42 car fare from Chicago to DuBois, \$25 expended on wedding garments and \$1000 wherewith to supply balm for the lady's injured trusting heart. Maybe.

LAWRENCE FARMER
STATE COLLEGE
DIRECTOR

Hon. Peter Gaurhart, the Lawrence township farmer, was elected a Director of Pennsylvania State College at the annual election held in connection with commencement week.

Mr. Gaurhart succeeds the late V. H. Patterson, Esq., of the Board of Directors. He is one of Clearfield county's most progressive farmers and deserves this recognition.

The delegates from Clearfield county at the annual meeting were: Harrison Straw, of Goshen; Curtis Reed, of Lawrence; T. L. Way and Reed Bloom, of Pike, and W. S. Callahan, of Clearfield.

DUBOIS WILL EN-
TERTAIN SOLDIERS
ON JUNE 18TH

On June 18, 1919, DuBois is going to stage a celebration in honor of the returned sailors, soldiers and marines of this entire section, and the indications are that that day will be the largest affair in the history of the city. A large committee has been working several weeks on the plans for the event and everything has shaped up in a manner that makes it certain that on this date the returned service men will be given the time of their lives. Plans are being made to entertain at least 2,000 service men. They will be met at the station by bands and reception committees and the city will be turned over to them. Everything will be free to all men in uniform on that day. They are to be the guests of the city and the only feature they will be asked to furnish will be the parade, in which there will be more service men than has ever been assembled at one time in this section.

Other features of the day will be a war plane sent to DuBois by the government. It is a regular government airplane and will be in charge of competent men who will drive it. Another feature will be a government tank, one that has seen actual service in France. It will be put through its paces over some of the worst conditions that can be found. The day's program will also include a complete program of sports, including a Marathon race, horse races, foot races and ball game.

At noon and in the evening the service men will be given dinner and supper at the park, a large corps of women having volunteered to do the preparing and serving. The homes of the people of DuBois will be opened to the returned men and their visit to DuBois will be made memorable.

One of the features of the day will be the presentation of national medals to all service men. It is planned to have this done by a bevy of pretty girls, who will pin the medals to the soldiers.

It is planned to have several prominent men in DuBois as speakers for the occasion. One already secured is Colonel Rickards, of the 112th regiment. The colonel, who is beloved by all of his men, will take a leading part in the parade and other festivities. It is also likely that a national figure prominent man identified with the National Legion will be secured and plans made on the evening of the 18th for the formation of the Legion.

The music for the occasion will be a noteworthy feature. It is planned to have no less than ten bands from DuBois and vicinity. It is expected that bands from Reynoldsville, Punxsutawney, Curwensville and Ridgway will be present. The committee also has the assurance that the bands of the 111th and 112th regiments will be present.

Special trains will be arranged so that the thousands of visitors from the different towns will be enabled to get home on the evening of the 18th if they desire.

DuBois will certainly be the place to visit on the 18th in order to see the greatest gathering of soldiers, sailors and marines ever assembled in this section.

ADVANCED PUPILS'
RECITAL THURSDAY

The advanced pupils of Prof. Schaefer's department at the Susquehanna College of Music will give a recital in the college auditorium on Locust street Thursday evening at 8:30 o'clock. The public is cordially invited to attend.

The program will consist of cornet solos, songs and piano and on some work by violin chorus.

The different numbers will be strictly high class and music lovers should make it a point to attend. All friends of the College welcome.

SECOND WARD FESTIVAL

The Second Ward Hose company will hold a cake and ice cream festival at their hose house on Wither street tomorrow (Thursday) evening.

The boys come right down town to see you when you need them, and now that they need you they would like to have you reciprocate. Bring your best girl and your pocket book, or your own wife, if you are fortunate enough to possess one.

OUR LEGISLATURE IS NOT EXTRA DRY

The action of the House of Representatives at Harrisburg in failing to pass the Vickerman and Fox bills providing for the enforcement of the new dry law and Prohibition amendment, would lead a man up a tree to believe that the Pennsylvania Legislature is not nearly so "dry as a covered bridge." Governor Sprout must have had some time forcing that prohibition amendment ratification bill over.

THE CONSTITUTIONAL CONVENTION

Questions involved in the proposed study of the Constitution are commencing to receive serious attention from editors now that Governor Sprout has signed the bill for appointment of the commission of twenty-five to revise the organic law of the State. The Philadelphia Evening Bulletin says: "The Governor has no simple task in the selection of twenty-five commissioners who shall be representative of the various sections and interests of the State and competent for the work of shaping the fundamental law of the state, but the appointments which he has made to the principal offices of his administration with few exceptions, indicate a standard of public service, and a capacity for appraising it as a test in selection which augurs well for a commission that will deserve and receive public confidence and co-operation."

TYRONE NOT ALONE

People residing along the Tyrone division of the Pennsylvania railroad, having been accustomed under private control of the railroads to modern steel passenger coaches, naturally resent having the Federal Railroad Administration replace these with antiquated wooden cars that are not only uncomfortable, but dangerous. They are going to appeal to the Public Service Commission but it will do no good.

Tyrone folks are justified in complaining. Wooden cars of ancient design are death traps. Their place is the scrap-heap. The Pennsy had replaced them with steel coaches almost entirely when the government took over the roads. Now, however, the Federal administration is hunting up what are left and returning them to service. This is regrettable but not surprising. Every step of government administration in railroad operation has been backward. Service has become an obsolete word in railroad circles and fares have gone out of sight. The public is regarded merely as a sort of necessary evil that would be ignored altogether were it not for the cash involved. Tyrone's relief will come when the roads are returned to their owners, not before.—Harrisburg Telegraph.

FARMERS COMPLAIN OF RURAL MAIL BREAKDOWN

Postmaster General Burleson has been asked in resolutions adopted by the executive and legislative committees of the National Grange to restore the rural mail routes in New York and other states which have been changed in the recent reorganization of the rural service.

This is simply one phase of the wide spread complaints over rural mail service which have welled up from the country for years. Those who have any knowledge of the conditions know that the farmers and other rural dwellers are not getting the service which they had formerly and that they are deeply dissatisfied with it.

The action of the committees of the National Grange comes close on the heels of the presentation to Mr. Burleson of a mass of complaints from a prominent delegation of New York state residents against the alleged wholesale curtailment of rural delivery routes in the central and northern sections of the state. Senators Wadsworth and Calder were at the hearing. Congressmen Mott, Hill, Snyder and Magee were among those who protested against changes in rural mail delivery made by the postoffice department.

Ready To Serve Business Men

The bank for the business man is one that is able and willing to take care of his wants, to lend him the money he requires for the legitimate needs of his business.

The County National Bank with invested capital of over \$1,200,000 and resources of more than Six Million Dollars, is large and strong enough to care for the needs of the business community.

Its officers and directors are interested in the advancement of this district. They are glad to offer to conservative business men, the advantage of an alliance with an old and capably managed bank.

Your account is invited.

THE NATION'S RECOGNITION OF STATE AGRICULTURAL DEPARTMENT NOTES

The distinguished service medal, which was presented by Secretary of War Baker to Dr. Anna Howard Shaw in Washington on Monday, May 19, marked the appreciation not only of Dr. Shaw's personal services and recognition of the work of the Women's Committee of the Council of National Defense, but was also indicative of the meritorious services rendered the Nation by the women of the country during the war.

Dr. Shaw was chairman of the Women's Committee of the Council of National Defense throughout the war. This work was originally carried on through 48 State divisions and subdivided into 18,000 local units. About a year ago the machinery of the Women's Committee, which directed women's activities in the States was amalgamated with the State councils section for the present Field Division of the council.

The Field Division was that part of the Council of National Defense which co-operated with the children's Bureau of the Department of Labor in its children's year and its "Back-to-school" and other child welfare activities, as reported at the recent child welfare conference in Washington, D. C.

Dr. Shaw commented on the coincidence of the conferring upon her of the distinguished service medal upon May 20—the opening day of the Sixty-sixth Congress, which has pledged itself to pass the Federal suffrage amendment, for which she has worked many years. While she values the personal honor of being the recipient of this distinguished service medal, she stated that she looked upon it as the beginning of the recognition by the country of the service and loyalty of all women, and above all, that the part women were called upon to take in war time was recognized by the Government as equally necessary in times of peace.

"This departure," said Dr. Shaw, "on the part of the National Government, through the President and Secretary of War, gives the greater promise of the time near at hand when every citizen of the United States will be esteemed a Government asset because of his or her loyalty and service, rather than because of sex."

CHILDREN'S SERVICE SPRING VALLEY CHURCH

A Children's Service will be held at the Spring Valley U. B. church Sunday evening June 15th. All are invited to attend.

H. J. GOSS, Supt.

In the continental countries of Europe the profession of hotel waiter is held as a highly dignified calling, and the continental governments run special schools of training for this profession, which is regarded as a stepping-stone to hotel management.

Harry B. Dale of Harrisburg is the guest of relatives here.

Cultivating is now in order. Report says that flocks of sheep will be increased in Somerset county.

Report from Centre county says the price of whole milk for May was three dollars per hundred which was the best price ever paid here during this month.

Clothing comes next to food as a necessity. Not only does the sheep meet the demand from a food and fertility standpoint, but for its wool for clothing there is no substitute.

A leading New York Commission Merchant says that Pennsylvania is shipping into New York market more and better graded fancy white eggs than any other state in the Union.

Slugs are becoming quite common in gardens. If they are troubling your crops, write to the Pennsylvania Department of Agriculture for information on methods of protecting the crops from these pests.

Reports from 157 creameries in Pennsylvania show that 798,451 pounds of butter were produced during the month of February, 1919. Two hundred and twenty-one factories report the production of 803,170 gallons of ice cream during the same month.

Clarence A. Moore left today for Pittsburgh to visit his brother Alvin and family and other relatives.

Sage Tea Keeps Your Hair Dark

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhance its appearance a hundred-fold.

Don't say gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

THE IDEAL TIME TO PAPER A ROOM IS RIGHT NOW

"You're spending more time on your porch now. You won't mind the tearing up of a room as much as when the days are stormy."

We have a paper that will make one or two rooms better rooms to live in when the stormy days do come.

FOR COUNTY TREASURER

We are authorized to announce the name of Phil E. Griesemer of DuBois as a candidate for the office of County Treasurer, subject to the action of the Republican party at the coming primaries, Sept. 17, 1919. P. O. Address, DuBois, Pa.

We are authorized to announce the name of Amos Rumberger as a candidate for the office of County Treasurer, subject to the rules of the Republican party at the primary. P. O. address Houtzdale, Pa.

FOR REGISTER & RECORDER

We are authorized to announce the name of Tene Evans of DuBois, as a candidate for the office of Register and Recorder subject to the action of the Republican primary election. P. O. Address, DuBois, Pa. J3-cod.

FOR COUNTY COMMISSIONER

I'M OUT FOR COMMISSIONER
Last time I needed only 50 votes to make it. This year I am asking you for your vote as one of the 80, at the Republican Primaries, Sept. 17th.

HARRY L. JONES,
Clearfield, Pa.

TO THE VOTERS OF CLEARFIELD COUNTY:

I wish to state that I am a candidate for re-election to the office of County Commissioner on the Democratic ticket.

I do not expect to be able to make a general canvass of the County, as the duties of the office require practically all my time in Clearfield, and I don't feel that I should neglect my official duties to the extent required to make a general canvass.

I thank all who contributed to my nomination and election four years ago and solicit the vote and hearty co-operation of the Democratic voters at the coming primaries.

AUSTIN HANEY.

We are authorized to announce the name of M. F. Graham, of Clearfield borough, as a candidate for County Commissioner, subject to the action of the Republican primary election. P. O. Address Clearfield. J9-cod-p

SUES FOR TROUSERLESS PARADE ON STREETS

OKLAHOMA CITY, June 12.—If Walker D. Hines director general of railroads, is responsible for J. L. Wilkins' mile-and-a-half trouserless progress thru Oklahoma City streets he won't admit it.

The whole embarrassing controversy was to be aired in district court today.

Wilkins, president of the Wilkins-Hale state bank here, asserts that while a Pullman passenger from Fort Worth to Oklahoma City last January some conscienceless person robbed his berth. Consequently, he declares, receiving no assistance and little sympathy from the conductor and porter, he was forced to depart from the train much embarrassed.

Velvet

THE SMOOTHEST SMOKING TOBACCO

TIME—given the right chance—
puts character in a man's face,
horse-sense under his hat, and mel-
low fren'liness into his tobacco.

Velvet Joe

Time is a big factor in giving
Velvet Tobacco its mildness and
"character."

Velvet ages for two whole years in
wooden hogsheads. During this
long period the choice Burley leaves
take on a kindly quality of cool-
ness, a rich fra-
grance, a "taste" that
appeals to pipe
smokers—old and
young.

Don't hurry, but just
walk into the next store
and lay down a dime
and a nickel and say
"VELVET"—the tobac-
co that isn't harsh but
is friendly.

Court for Clearfield county has been
postponed from June 13th to July 1st.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with
phosphate before breakfast
washes out poisons

To see the tinge of healthy bloom
in your face, to see your skin get
clearer and clearer, to wake up with-
out a headache, backache, coated
tongue or a nasty breath, in fact to
feel your best, day in and day out,
just try inside-bathing every morning
for one week.

Before breakfast each day, drink a
glass of real hot water with a tea-
spoonful of limestone phosphate in it
as a harmless means of washing from
the stomach, liver, kidneys and bow-
els the previous day's indigestible
waste, sour bile and toxins; thus
cleansing, sweetening and purifying
the entire alimentary canal before put-
ting more food into the stomach. The
action of hot water and limestone
phosphate on an empty stomach is
wonderfully invigorating. It cleans
out all the sour fermentations, gases
and acidity and gives one a splendid
appetite for breakfast.

A quarter pound of limestone phos-
phate will cost very little at the drug
store but is sufficient to demonstra-
te that just as soap and hot water
cleanses, sweetens and freshens the
skin, so hot water and limestone phos-
phate act on the blood and internal or-
gans. Those who are subject to con-
stipation, bilious attacks, acid stom-
ach, rheumatic twinges, also those
whose skin is sallow and complexion
pallid, are assured that one week's
inside-bathing will leave them both look-
ing and feeling better in every way.

This is the Firestone YEAR

Two Big New Savings for Car Owners and Truck Owners

Never before have Firestone Tires been so decidedly better than others as they now are. So, for months back dealers, car owners and truck operators have been saying: "It's the Firestone Year."

And on top of this quality advantage offered in the improved Gray Sidewall Fabric and Cord Tires, on top of the enlarged size and extra heavy tread, come these two other Firestone savings—

Much lower prices—and adjustments made on a bigger mileage basis.

NOTE THIS NEW SCHEDULE

Fabric Tires	6,000 Miles
Cord Tires	8,000 Miles
Solid Tires	10,000 Miles

You can thank the rubber market for a part of the price saving. You can thank Firestone men—90% of whom are stockholders in the company—for a tire of such quality. 6,000 miles, 8,000 miles, 10,000 miles—these are only beginning points from which you can figure the extra miles that have made this the "Firestone Year" and given greater meaning than ever to the Firestone pledge of—

Most Miles per Dollar

ATLANTIC POLARINE

PERHAPS the vitality of your motor oil is low. Drain your crank-case thoroughly, then refill it with an Atlantic Motor Oil. Do that every thousand miles or so.

Atlantic Polarine, Atlantic Light, Medium and Heavy comprise the four principal Atlantic Motor Oils that give your engine a new lease of life. Talk with your garageman.

Dress Warm and Keep Feet Dry

Tells Rheumatism Sufferers to Take
Salts and Get Rid of Uric Acid

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

The most powerful lamp in the world is in the De la Hève lighthouse near Havre. With flashes one-tenth of a second in duration, it actually gives as much light as two and a half million candles.

OBITUARY

PORTER B. ZENTMYER

Porter B. Zentmyer formerly of Clearfield, died suddenly Monday evening in Juniata shortly after beginning a game of checkers with one of his nieces. He had made his home with his nieces, Misses Jeanette, Arintha and Fannie Kinch, of 731 Fifth avenue, Juniata, and despite his advanced years he had been enjoying his usual good health. Last Wednesday he was seized with an attack of indigestion from which he had about recovered.

Following his supper last evening he and Miss Arintha Kinch began to play a game of checkers. He had not made many moves on the board until he fell back in his chair, making a pleasant remark concerning the game, and was dead. A physician was hastily summoned, who pronounced death due to a cerebral hemorrhage. Mr. Zentmyer was aged 78.

He was born near Spruce Creek on November 8, 1840, and during his early life followed farming in Hartlog valley. Later he entered the merchandise business at Warriors Mark. After following this for a time he was made superintendent of the coal mines at Moshannon and Madera, in Clearfield county.

Mr. Zentmyer was united in marriage to Miss Maggie V. Whittaker, of Huntingdon on March 14, 1872. His wife died September 3, 1917. One son, Frank, was born to this union and died in July, 1912. Mr. Zentmyer retired from his official connection with the mines in 1894 and occupied a home in Clearfield until the death of his wife.

For the past year and a half he made his home with his nieces in Juniata and his congenial and sunny disposition soon won for him a host of new friends. Two sisters and two brothers survive: Mrs. Mabel Kinch of 1115 Fifth avenue, Altoona; Mrs. Margaret Stone of Tyrone and John and Benjamin Zentmyer of Tyrone.

Mr. Zentmyer was large in stature as well as in mind and by those who knew him best was held in very high esteem. He was prosperous in his business ventures and found pleasure in assisting others. It is said that a part of his estate will go toward the establishment of an orphanage in Clearfield county.

He was a life member of Coalport lodge, Free and Accepted Masons, of Phillipsburg, Pennsylvania, Knights Templar, and a Shriner of Jaffa temple, Altoona. He was also a member of the Presbyterian church.

Funeral services will be conducted over his remains Wednesday evening at 8 o'clock by Rev. T. S. Dickson, pastor of the Clearfield Presbyterian church at the home of the Misses Kinch. On Thursday morning the remains will be taken to Clearfield, where funeral services will be conducted in the Presbyterian church.

The remains will be brought to Clearfield on the 11.15 train tomorrow, and taken to the Presbyterian church where services will be held. Interment will be made in Hillcrest cemetery. Clearfield Lodge of Masons will have charge of the funeral.

VICTORY ROSE FESTIVAL OPENS AT PORTLAND

PORTLAND, ORE., June 11—Portland's most famous annual event, its rose show, opened today, with the ringing-down of the final curtain scheduled for Friday night.

The show, this year, is called the Victory Rose Festival, because it is not only the yearly tribute to the rose, but a dual event including a celebration in honor of the return of soldiers, sailors and marines to Oregon. Two of the most prominent features of the show are the "flying circus" of airplanes, which came here from Mather field, California, to give daily exhibitions, and the fleet of 10 battleships and cruisers, which are anchored in the Portland harbor.

The "Victory" parade was held this afternoon practically every Oregon city being represented in the pageant with a float, bearing the war record of the community. Every Oregonian who followed the flag during the world war has been invited to appear in the "Military" parade tomorrow afternoon, and the Friday afternoon feature will be the annual floral parade.

Y. M. C. A. NOTES

A small play-ground or out-door gymnasium has been built back of the "Y" gymnasium for the use of the boy and girl members of the "Y". There will be open air concerts each evening.

All the boys and girls wishing to take part in the big flag drill for July 4 are requested to meet the physical director of the Y every Tuesday and Thursday evening.

On Tuesday evening June 17, you will have an opportunity to see 1000 feet of our local talent picture showing the principal buildings of the city and over 1000 different men and women, boys and girls will be shown in the moving picture in a farewell parade to our soldier boys. There will also be pictures of the different Y classes, the silk mill in operation and the Twilight baseball league.

LARGE CLASS OF P. O. S. OF A. COMING FOR INSTALLATION

Thursday evening is to be an important night in the annals of the P. O. S. of A. of DuBois, when a class from various points in Clearfield and Jefferson counties, to the number of 100, will be initiated into the order. Guests are expected from throughout the two counties, and the state secretary, Charles E. Helms, of Philadelphia, will also be present.

In the evening there will be a parade, led by a band, which will traverse the principal streets, accompanied by the candidates, before the return to the Whitehead building, where the initiation ceremonies will be held. Members are expected to be present from Clearfield, Curwensville, Glantz, Reynoldsville, Sykesville, Emerickville and Painsentown.

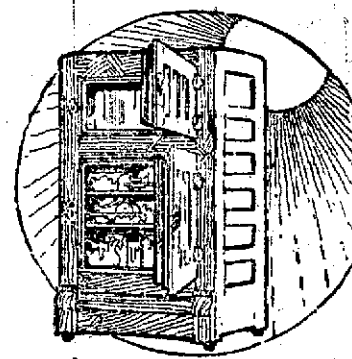

I saw it in The Progress.

Two Warm Weather Household Needs Refrigerators For Thrifty Women

Spoiled food will soon eat up the price of one of these refrigerators of ours. And you cannot reasonably expect to keep food these days without a refrigerator of some kind.

We have a goodly assortment of refrigerators for you—mostly in oak finish with linings that are sanitary, long-wearing and easy to keep sweet and clean. Scientific construction assures the most economical ice consumption.

Ice Cream Freezers

Make your own ice cream. These freezers of ours with their cedar tubs, the heavily re-tinned cans and paddles, the easy running triple motion will make it as cheap and easy for you to make your own ice cream as to buy it.

We have them in all the household sizes.

WILLIAM F. POWELL

South Second St. Clearfield, Pa.

You Must Have Either White shoes Or White Pumps

When you see everyone wearing white shoes and how pretty they are with white dresses you cannot help but wanting a pair immediately. But why wait—Summer days are here and it is the part of wisdom to make selection when stocks are unbroken.

The pumps and ties are in the new long lines, various height heels and style toes.

Smart Footwear For Discriminating Women

Of great popularity this season will be the low heeled Oxfords designed to be used for both walking and sports wear. Several styles commend themselves to your attention; built on long graceful lasts, with turned soles and simulated wing tips. Kid and Russia calf in black and several new shades. All sizes.

Men's Oxfords In Distinctive Styles

With the advent of bright and cheerful days comes the desire to be comfortably and appropriately shod. The new styles of low shoes show marked touches of distinction both in shapes and leathers. They are built on sensible lasts that are at once restful to the foot and dignified in appearance.

We take extra care in fitting you properly, so that the foot will not feel loose inside the shoe. A varied selection of choice tan and black leathers assures you satisfaction.

The City team is now tie for first place with the H. W. R. Co.

At last we have found an efficient umpire in Alvy Condon who pleases both fans and players.

Capt. Bill Beitz made a Ty Cobb catch of a high foul fly.

Two more new players entered last night into the league. They were Whitehill and Pete Shade, a returned soldier.

It was a pitcher's battle and also a case of brother against brother.

Rishell holds first place in avoidance but does not like to circle the bases.

THAT DULL ACHING

Don't worry and complain about a bad back. Get rid of it! For weak kidneys, lame and aching backs, your neighbors recommend Doan's Kidney Pills. Read this statement:

Mrs. Jane Graham, 125 Fulton St., Clearfield, says: "I suffered from kidney complaint some time ago. There was a dull ache in the small of my back and I had severe headaches. I also had a tired feeling in my loins. On using one box of Doan's Kidney Pills, the backaches and headaches left and I didn't have that dull, tired feeling any more. I think Doan's Kidney Pills are a wonderful kidney remedy and I am glad to recommend them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Graham had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

WOMAN'S CLUB OFFICERS

The annual election of officers for the Woman's Club resulted as follows: Mrs. Harry Boulton, President; Mrs. E. E. Orcutt, 1st Vice President; Mrs. Philip Reed, 2d Vice President; Mrs. E. D. Vandling, 3rd Vice President; Mrs. R. H. Mawhinney, Recording Secretary; Mrs. Don Gingery, Corresponding Secretary; Mrs. Roy Fulton, Treasurer.

NEWS OF OUR NEIGHBORS CURWENSVILLE

S. E. Deering received on Monday a telegram from his son, Chester B. Deering, announcing that he had landed in Boston on the 9th inst and was being sent to Camp Devens, Mass., where he expects to receive his discharge from the service within the next week or ten days.

D. R. Fleming, the cigar manufacturer, left yesterday evening for Cambria county, where he will spend the balance of the week looking after trade with his many patrons. He manufactures an article of goods that sells and sells quick, and therefore is unable to make his famous cigars fast enough to supply the demand.

Orville King, who is a student at the University of Pennsylvania, is home for the summer vacation.

"Dad" Hoover, the eldest male resident of this place, was taken with a sudden illness Monday night. Medical aid was summoned and this evening was reported considerably improved.

Captain William Castberry and wife, of Washington, D. C., arrived on Monday evening. The captain, who is in the quartermasters' department in the capital city, was compelled to return to duty on Tuesday evening, while his wife will remain in town for a few days longer, visiting her brother, Ed Benson and his family. Captain Castberry will be remembered by many Curwensville people as having been a bookkeeper for George L. Benson in the office maintained here by the Roaring Run Stone company. He went west from here and located in Portland, Oregon, until he enlisted in the army a couple years ago, and by his own personal ability soon rose to the commission he now holds. His wife was Miss Mame Benson and resided in this place for a number of years prior to her marriage.

The Woman's Missionary Society of the Presbyterian church will hold the quarterly meeting and annual Mission Cradle Roll rally in the Sunday school room Thursday, June 12th at 1:30 p. m.

At this meeting we will have with us Miss Ruth Barber, a daughter of our former pastor Rev. Samuel Barber. Miss Barber is one of the teachers in the Allison-James Mission school for girls at Santa Fe, New Mexico. She will tell us of the work of this school. All are cordially invited to come and bring their friends.

Charles McClure, Joe Vesco and Messrs. Dotto and Ballone arrived home yesterday noon, having been released from army service. These sol-

dier boys saw considerable service over seas.

Mrs. Maggie Draucker, widow of the late Frank Draucker, who has been quite ill at the home of Mr. and Mrs. Orlie Norris for a week or more, is reported this morning as improving.

John Kelly, one of the expert hunters of this section has now over 100 crows to his credit. He has killed that number within a space of two months. At the rate he is killing the crows he will soon have them exterminated in this end of the county.

Mrs. Ashley Bloom, who resides at Lumber City, having lately moved from Curwensville to that town, where her husband is employed as superintendent of the brick plant, was very seriously injured Monday evening by falling down a pair of stairs leading to the cellar. In falling she struck her head against the stone wall cutting an ugly gash, while her body sustained a number of cuts and bruises. It was also reported that it will be some time before she is able to be about her household duties again.

Lemoine Bloom is on his old job again with the insurance underwriters, his territory being the middle and eastern states. "When he entered the army and was assigned to the signal corps, he was informed that his job would be open to him when he returned home. He is now engaged in inspecting the tanneries and brick plants in this place, and making blue prints of the buildings, etc. He understands his business thoroughly, having graduated from college as an engineer. He expects to leave next Sunday to work in other fields.

Mr. and Mrs. L. W. Spencer, accompanied by Miss Margaret Hile, who spent the past two weeks at Bilina, Ohio, visiting with friends returned home arriving Monday evening.

Another ball team has been organized in this place. The members are old ball men and have not forgotten how to play the game. Their first try will be with a club from Boardman next Tuesday.

Do not forget that the nation's most popular picture "The Heart of Humanity" will be shown in the Academy of Music tonight. The proceeds from the picture is for the benefit of the Rescue Home and Lauder company.

Alonza Ammerman, a former Curwensville resident, now of Phillipsburg, was a town visitor yesterday.

James Smith employed at the hard clay mines had his right foot badly crushed yesterday by having it caught between the bumpers of two mine cars. The injury is a painful one and will keep Mr. Smith on a pair of crutches for several weeks.

The Alfred Bigler homestead is being ornamented with a new coat of paint, which improves its outward appearance greatly.

Mrs. William Twigg, Jr., who has been ill for a long time is not improving in health, but her condition remains about the same as when she was brought home from the hospital.

Miss Lillian Wingert, of Lancaster, is visiting Clearfield friends at present. Miss Wingert has accepted a position in Detroit, Mich.

Pretty Summer Voile

Waists Special at \$1.25

The woman with an eye to vacation needs in the near future will take ample advantage of this opportunity, as will women who like to have on hand a number of these dainty voile blouses to spare their more costly Georgette and silk waists, every blouse was a splendid value at its former price, therefore making the saving more remarkable.

Other dainty voile waists specially priced \$1.95, \$2.50, \$3.50 up to \$12.50

Beautiful Georgette Crepe

and Crepe-de-Chine Waists

At special prices during this great white event. Prices range from \$5.95 to \$18.50

Misses and Girls Middies

\$1.95 to \$2.50

Mothers who know, appreciate that these smart, loose-fitting garments are just the thing for daughter's comfort. Models are just what a young girl wants—some are plain colors, others have embroidered collars, some trimmed with contrasting cotton colors. Materials include galatea, rep and poplin.

Specially Priced!

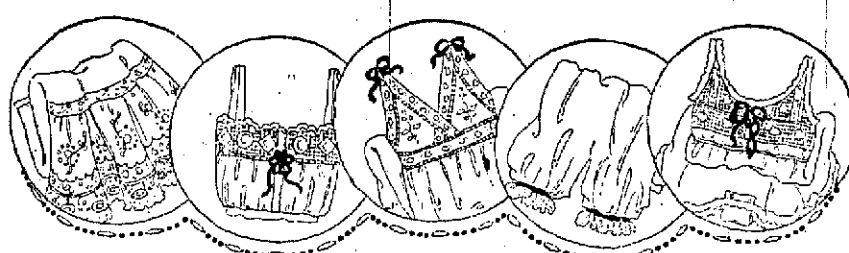

Women's Summer Frocks

and Tub Dresses

It is rather hard to tell in so many words just how pretty these dresses are, unless you come in and see them and have one of our saleswomen point out to you all the attractive features. The collection includes dresses of plain and figured voile, gingham and linen in all the latest styles.

Gingham dresses from \$6.50 to \$12.50
Voile dresses from \$9.75 to \$29.75
Linen dresses from \$10.00 to \$25.00
